

## COOKIES POLICY OF BESPOKE SENSES

In Bespoke Senses we use cookies in order to provide better service and provide the best experience in your navigation. We want to inform you clearly and precisely about the cookies we use, then detailing what is a cookie, what it is, what types of cookies we use, what is its purpose and how it can be set on or off.

### WHAT IS A COOKIE?

"Cookie" is a small file that is stored on the user's computer, tablet, smartphone or any other device with navigation information.

The set of "cookies" to all our users helps us improve the quality of our web site by enabling us to monitor which pages are useful, which is not and what could be improved.

Cookies are essential for the functioning of the Internet, providing many advantages in providing online interactive services, making it easy to navigate and user-friendliness of our website.

In any case, cookies can not harm your computer. In contrast to this, they help us to identify, to explore and resolve navigation errors of our website in order to improve the supply of products or services that we offer.

### ACCORDING TO THE ENTITY THAT MANAGES IT

Cookies own: those that are sent to your computer from our own computers or domains from which we provide services that you request us.

Cookies from third parties: those that are sent to your computer from a computer or domain that is not managed by us but by other collaborating institution. those that are used by social networks, or external content such as Google Maps.

### ACCORDING TO THE PERIOD OF TIME THAT REMAINS ACTIVATED

Session Cookies: These are temporary cookies that remain in the cookie file of your browser until you leave the website, so that none is recorded on the hard drive of your computer. The information collected through these cookies are used to analyze traffic patterns on the web. Ultimately, this allows us to provide a better experience to improve the content and ease of use.

Persistent Cookies are stored on your hard disk and our website reads it every time you make a return visit. A permanent web has a set expiration date. The cookie will stop working after that date. These cookies we use generally to facilitate the purchase and registration services.

### ACCORDING TO ITS PURPOSE

Technical Cookies: these are necessary for navigation and proper functioning of our website. They allow for example, to control traffic and data communication, access restricted parts, make the buying process an order, use security features, store content or deliver videos to share content via social networks.

Cookies personalization: are those that allow you to access the service with predefined depending on a number of criteria characteristics, such as language, type of browser through which the service is accessed, the locale where you can access service, etc.

Cookies analysis: are those that allow us to quantify the number of users and perform the measurement and statistical analysis of the use made by users of the services provided. To do this, we study your navigation of our site, to improve the supply of products and services that we offer.

Publicity Cookies: These are those that enable the management, the most efficient way of advertising spaces sepudieran include in our website.

Behavioral advertising cookies: These cookies store information on user behavior obtained through

continued observation. Thanks to them, we can find the internet browsing habits and show you advertising related to your profile navigation.

#### HOW YOU CAN SET OR DISABLE YOUR COOKIES?
